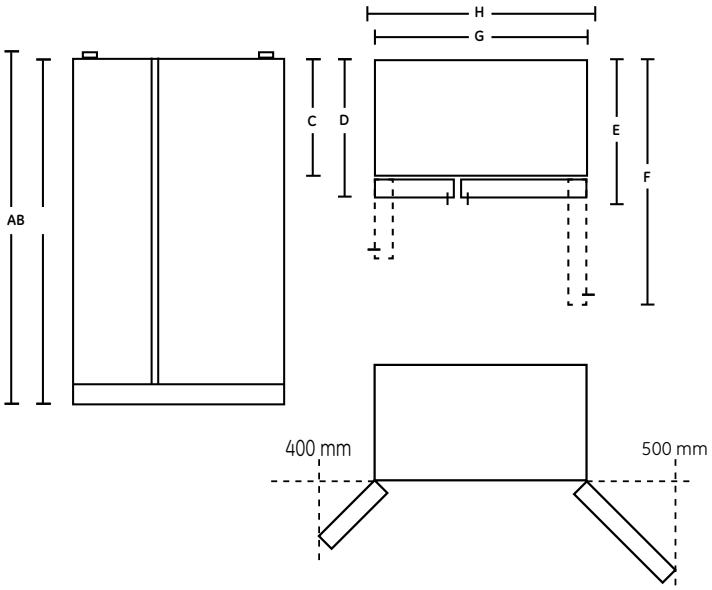
TECHNICAL SPECIFICATIONS

Height to top of hinge (mm)	A	1829
Height to top of case (mm)	B	1817
Height to top of door trim (mm)		1832
Case depth without door (mm)	C	607
Case depth less door handle (mm)	D	689
Case depth with door handle (mm)	E	751
Depth with FF door open 90° (mm)	F	1169
Width (mm)	G	908
With door open 90° with door handle (mm)	H	970
Product weight (kg)		177
Approx. shipping weight (kg)		191



CLEARANCES

Allow the following clearances for ease of installation, proper air circulation and plumbing and electrical connections.

- Sides 3 mm
- Top 25 mm
- Back 13 mm

PRODUCT DETAILS

CAPACITY

Total capacity * (gross/net, in liters)	718 / 548
Fresh Food * (gross/net, in liters)	447 / 395
Freezer * (gross/net, in liters)	272 / 154

FEATURES

Beverage center	•
ClimateKeeper system	ClimateKeeper2
Dual Evaporator	•
Multiflow air system	•
Upfront electronic digital temp. display	•
Actual Temperature Display	•
Electronic sensors	•
Temperature Control	Color LCD Controls
Turbo Cool	•
SmartWater filtration system	Plus
LightTouch! Dispenser	Crushed / Cubed Ice, Water
Integrated (Trimless) Dispenser	•
UltraFlow100	•
Dispenser Light	LED
Child lock	•
Door alarm	•
Quick Ice feature	•
Water filter indicator light	•
Cabinet shelves	3 Glass
Adjustable	3
Slide-out, spillproof	2
QuickSpace shelf	•
Integrated shelf support system	•
Snugger clip(s)	2
Deli drawer	Adj. Temp.
Vegetable/fruit crisper	Adj. Humidity, Custom-Cool
Sealed drawer	With full-extension
ClearLook door bins	4 (3 Adj.)
Dairy compartment (removable)	•
Beverage rack	In-the-door
Wine Caddy	•
Interior light system	Dual Level
Quiet Design	Premium
FrostGuard technology	•
Factory-installed icemaker & bin	•
Wire slide-out baskets (freezer)	4 (3 full-ext.)
Wire cabinet shelves (freezer)	2
Wire tilt-out door bin(s)	2 Adjustable
Door shelves (freezer)	1
Interior light (freezer)	•

APPEARANCE

Color(s) available	White
Door handles	CM Profile Sculpture
Exterior design	Rounded doors
Configuration	Built-in Style
Hinges	Low Profile
Dispenser Color	Colour Matched
Adjustable rollers	All

POWER / RATINGS

Power	220-240V / 50Hz
Energy class	A
Energy usage * (kWh/year)	536
Climate Class	N (16°C - 32°C)
Sound Power (dBa)	46

** Measured according to EN153*

ClimateKeeper2 System: Twice as nice

Stop wasting money on fruit and vegetables that go bad before you've had a chance to enjoy them. The ClimateKeeper2 dual-evaporator system creates two separate climates to keep your favorite foods tasting just the way you like. One evaporator keeps fresh foods fresh longer while the other reduces defrost cycles and protects frozen foods from odor transfer. And, when foods stay fresh longer, you'll avoid unnecessary trips to the market.

GE
Lemons after 5 days with ClimateKeeper2 system
Still fresh and juicy, slices stay bright, moist and flavorful.

Conventional
Lemons after 5 days with conventional system
Refrigerated slices shrivel around the edges, drying up and losing flavor

GE
Mushrooms after 3 days with ClimateKeeper2 System
Still fresh and firm, mushrooms remain smooth and meaty.

Conventional
Mushrooms after 3 days with conventional system
Mushrooms have dried out quickly and developed dark, soft spots.

Features and Benefits

11

QuickSpace shelf
Taller containers are a snap with a quick slide of the retractable shelf.

12

GE water filtration
Removing impurities adds a fresher taste to your family's water.

13

Adjustable temperature deli drawer
Provides a temperature-controlled, easy access environment for fresh foods.

14

Beverage Center
Right temperature, right now. Now your favorite beverages are icy cold and easy to find in the front of the refrigerator door.

15

CustomCool ExpressChill
The CustomCool ExpressChill setting chills cans, bottles and 2-litres in minutes, so your favourite beverages will be at just the right temperature.

1

External electronic control
You can control all the functions of the refrigerator - including the temperature settings - without opening the doors.

2

LightTouch! Tall dispenser
Accommodates tall glassware and dispenses water and ice at the touch of a fingertip.

3 
Color LCD display
LCD controls are easy-to-see and easy-to-use for all of your refrigerator functions. You can choose between 8 different colors!

4

UltraFlow100
Quench your thirst by dispensing 100 ounces (ca. 3 litres) of water in 1 minute.

5

TurboCool setting
Cools the refrigerator after frequent door openings.

6

QuickIce setting
Makes ice up to 50% faster than normal settings - ideal for entertaining.

7

ClimateKeeper2 system
Dual evaporator system creates two separate climates–one for the fresh food compartment and a separate one for the freezer.

8

Adjustable ClearLook door bins
Transparent fronts make finding your favorite door items quick and easy.

9 
Slide-out, spillproof glass shelves
Raised edges and slide-out shelves keep small spills from becoming big messes.

10

FrostGuard technology
Protects frozen items from freezer burn by monitoring freezer door openings and defrosting only when needed.

16

CustomCool ExpressThaw
The CustomCool ExpressThaw setting thaws meats and poultry in hours, not days, so you'll spend less time planning for meals.

17

CustomCool SelecTemp
The CustomCool SelecTemp setting creates the ideal environment for maintaining freshness by controlling temperature and airflow.

18

Full-extension CustomCool bin
The full-extension CustomCool bin opens wide to make loading and unloading quick and easy.

19

Integrated Ice system
Designed to give you more room to store your favourite fresh foods.

'A' Energy
You can have cutting-edge technology and advanced options for preserving foods, while saving on your energy bill.
